

# Utsav Khadgi

## IT STUDENT

Hi, I am BSc (Hons) Computing Student at Islington College affiliated to London Metropolitan University.

As pursuing my college degree, I realized that just studying college degree and content is not enough to be the best

In the IT sector. I realized that working in a Industry level is very important to gain knowledge and experience

Which brings out the best quality and efficiency in work. So, I will do my best and work hard if any opportunity is given.
